Problem no.	Problem Name	Page no.
01	Write a Program to generate amplitude modulation using MATLAB	
02	Write a Program to generate amplitude demodulation using MATLAB	
03	Write a Program to generate frequency modulation using MATLAB	
04	Write a Program to generate frequency demodulation using MATLAB	
05	Write a Program to generate phase modulation using MATLAB	
06	Write a Program to generate Pre-Emphasis and De-Emphasis waves by using MATLAB
